Dear Dr. Tavakoli,

Congratulations! The RSNA Research & Education Foundation Board of Trustees has approved funding of your 2011 grant application "*In Vivo Imaging of Vascular Remodeling Using a Novel Dual-Modality Matrix Metalloproteinase-2 Activatable Folate Receptor-beta targeting Delivery System.*" The official designation of the award is RSNA Research Resident Grant #RR1131. The Foundation will provide \$30,000 to be used as described in the budget section of the original grant application. Payments will be made to the institution in monthly installments from July 2011–June 2012.

I again offer my congratulations on your successful proposal and pursuit of radiologic research. If you have any questions, contact Scott Walter at the RSNA Headquarters. Scott can be reached by phone (630) 571-7816 or email swalter@rsna.org.

Sincerely,

Theresa C. McLoud, MD
Chair, RSNA Research & Education Foundation Board of Trustees
