

Wayne Lindstrom QI Projects

- Created comprehensive Excel spreadsheet of important phone numbers used by residents and faculty
- UTHSC-San Antonio started live webcasting and recording ALL noon lectures
 - Residents can remotely view and listen to lectures in real-time
 - No commuting necessary
 - Recorded lectures archived on UTHSC-San Antonio website (Michael Wang uploads and manages website)
 - Video lecture database accessible 24/7 via internet
- Established a statewide webcasted noon lecture series
 - Decreased burden on faculty at their home institution
 - Each faculty have areas of expertise that they are uniquely qualified to talk about
 - Besides didactics, topics included business and economics, where TRS/ACR Radiologists have a far-reaching knowledge
- Planned: Will observe and accompany 2 patients at MARC & UH to identify problems when they attempt to schedule and commute to facilities for their radiological examination
